Agreement Summary:

The competitively solicited and awarded agreement with Burgoon Company provides laboratory and scientific products/equipment distribution to the member institutions of Horizon Resource Group. Burgoon Company offers access to various national scientific supplier catalogs, Fisher Scientific, VWR, Thomas, Daigger, Lab Safety Supply and Sigma Aldrich. Pricing is based on Burgoon's best distributor cost plus a markup percentage not to exceed 12% on all product categories covered.

Additional suppliers may be added as Burgoon executes agreements with other scientific manufacturers. Horizon members will be notified immediately.

Establishing Your Burgoon Company Account:

Complete the "Client Information for Horizon Resource Group Participants" form and return to Burgoon Company by email at HRG@burgooncompany.com or by fax at 1-800-724-0267. The form may be downloaded at http://horizonrg.com/hrgmember/downloads/Burgoon_newclient.doc.

Quote to Order Process:

A "Request for Price" form is available at http://horizonrg.com/hrgmember/downloads/Burgoon_pricereq.doc. Please save this on your computer for easy access. You may also email Burgoon Company at HRG@burgooncompany.com at anytime for a copy. Complete and email the form to HRG@burgooncompany.com when you are ready to make your purchase.

Burgoon Company team will "shop" for the best price available in the market. They will return a "Pricing and Availability Quote" form to you via email.

All you need to do is email your authorization to place the order, along with a copy of the quote attached.

For questions or if you need additional information, please contact Tina Riener or June Morgan at 1-800-287-4666 or 1-409-766-1900 or at HRG@burgooncompany.com.

Delivery time is typically five (5) days from receipt of order for stock items and fourteen (14) days from receipt of order for non-stock items.

Freight/shipping costs are included in the price of the product. Any costs incurred by the customer's special request, such as overnight delivery or special handling, would be invoiced at cost to the customer. Hazard fees and ice shipping charges, if incurred, will be billed at cost as well.

About Burgoon:

Burgoon Company, founded in 1988, has created the mission of building business growth platforms that expand its share of the laboratory, industrial and professional supplies market. Burgoon supplies products all over the world, which includes deliveries of much-needed items to our American troops in Iraq, supplies which travel into outer space, and critical shipments into disaster relief areas.

Certifications:

Burgoon Company is certified as a Historically Underutilized Business (HUB) by the state of Texas, and as a Woman Owned Business (WBE) by the Women's Business Enterprise National Council. Federal certifications include Historically Underutilized Business Zone (HUBZone) and Socially Disadvantaged Business (SDB).

Burgoon's employees are dedicated to their commitment to provide all customers with what they need, where they need it, when they need it; and they stop at nothing to make it happen.
