Agreement Summary:

Since 1946, GOJO has been a leading supplier of hygiene and skin care products for healthcare, manufacturing, education, foodservice, automotive, and other markets. Our brands are formulated to clean hands, kill germs, and help keep skin soft and healthy – even with the frequent use often required in these professional environments.

GOJO makes well-being products available through retail stores and distributors who bring our dispensers, formulations, and educational programs to schools, manufacturing plants, hospitals, nursing homes and other healthcare locations, restaurants, automotive service and repair shops, arenas, recreational facilities, public and commercial buildings, and consumers around the world.
