National Account Manager  
Heritage, Inc.  
Phone Number: 1(610) 873-7508  
Email: [chris.thompson@heritage-bag.com](mailto:chris.thompson@heritage-bag.com)

*To utilize this agreement, contact **Beth Kamperschroer** with **Network Services Company** at the number listed above, or contact your Horizon Account Director at (866) 531-3053.*

**Price Protection:** Price increases must be due to significant market movements in price. Prices can decline due to market conditions as well.

**Agreement Summary:**

Heritage, Inc is the leading manufacturer of can liners in the USA. Heritage produces its products in response to market demands. Heritage offers a full range of products to meet all customer requirements, including linear low density and high-density trash bags and low-density food and utility bags.

Heritage Bag offers both LLDPE & HMW-HDPE liners in all the industry standard sizes and gauges. They also

make “custom” liners when the customer needs something non-standard.

Their national structure enables Heritage to rapidly produce and deliver product to distributor partners. To enhance this performance, Heritage rebuilt five plants within the last decade. The results are increased service levels, lowered distributor inventories, better inventory management and a greater return on investment for distribution partners. The ultimate result, greater value for Horizon members.

The Heritage Bag website lists “all the information you could want” regarding liners & their application. The Training Tool section has a Glossary that describes the resins used in liners, the seal types & it helps you select the right liner for your container, with pictures provided for the most popular containers. To view the website, go to <http://www.heritage-bag.com>.
